6. Accreditation and interim endorsements

a. Trusted service providers

1. **RESOLVED:** The guidelines for *interim endorsement* of service providers proposed by the CC are approved and will be published on the web page.
2. **RESOLVED:** Interim service provider endorsement is approved for the following members, subject to them applying under the process documented on the web site:
 - DornerWorks Ltd
 - Cog Systems Inc
 - Breakaway Consulting Pty Ltd
3. **RESOLVED:** Further interim service provider endorsements are delegated to the CC.
4. **RESOLVED:** The CC will work with interim endorsees on developing a services certification scheme for *trusted service providers*.

b. Training

1. **RESOLVED:** Interim endorsement of *training modules* proposed by the CC are approved and will be published on the web page.
2. **RESOLVED:** Interim endorsement of training modules, based on assessment performed by TSC representative(s), is delegated to the CC.

3. **RESOLVED:** The CC will work with providers of interim-endorsed training modules on developing a *training certification scheme*.

c. Products

There are different categories of products that could possibly be certified but will require different treatment:

- seL4-based end-user products (eg. CDDC, autonomous driving kit)
- components for seL4-based systems (eg. library, device driver, authentication service)
- developer tools (eg. compiler, static analysis tool, IDE)

RESOLVED: The CC is to encourage members to propose products for endorsement/certification and work with them on developing interim endorsement guidelines and certification schemes.

7. **Update from the TSC Chair and matters arising**

Members noted the Minutes of the TSC meeting of 2020-05-20, and the chair's update, covering:

- Roles for Sysadmin, Reviewer, Committer and process for achieving such status and TPC membership were defined
- Contributions process (needs Board approval)
- Evolving the seL4 Roadmap
- Encouraging contributions

RESOLVED: The *process for accepting contributions*, as proposed by the TSC, is approved.

8. **Branding**

- a. The Branding package was noted and discussed.
- b. **RESOLVED:** The MC is authorised to approve look-and-feel of the seL4 web site.

9. **Recruitment material**

Members noted the recruitment material presented, consisting of

- seL4 Foundation executive summary
- seL4 Foundation recruitment pitch deck

10. **Discuss recruitment strategy**

Members discussed the "target list" of companies we would like to have as members, and the strategy to recruit further members.

11. **Approve trademark usage rules**

1. **RESOLVED:** The rules for the use of the seL4 trademark, as proposed by the CC and already documented on the web site, are approved.
2. **RESOLVED:** The CC is authorised to license the seL4 trademark.

12. **Future meetings**

Email meetings are suitable for approvals but less so for brainstorming-style discussions. There will be a real-time meeting in the near future to further discuss recruitment strategy, once we have a better idea of the prospects of the initial round of recruitment approaches.

13. AOB

Nothing raised under this item.

The meeting closed at 04:06 on 2020-10-27 UTC.
