A screenshot of the SCHED app interface. The top bar is dark with the SCHED logo. Below it, a list of events is shown for Tuesday, September 19th, 4:45pm - 5:00pm CDT. The events include: "seL4: Experiences, Improvement" by Chris Guikema, "From Zero to a Native xHCI Drive" by Josh Felmeden, "Crashing for Reliability" by Ihor Kuz, "seL4 Foundation Update" by June Andronick, Proofcraft, "Gold Sponsor: Building a Platform" by Boyd Muller, and "Networking Event: Drinks and Networking" in the News Room.

A screenshot of the SCHED app interface showing a detailed view of the "seL4 Foundation Update" event. The event is scheduled for Tuesday, September 19th, 4:45pm - 5:00pm CDT at Chestnut Studio (Floor 2). The speaker is June Andronick, CEO of Proofcraft. The interface includes a "Back to Schedule" button, a "Sign up or log in" prompt, and social media sharing options for Twitter and Facebook. A feedback form is visible at the bottom, which is currently disabled with the message "Feedback form isn't open yet."
